TELEGRAPHIC

THE TRAIN ROBBERY.

some of the Robbers Caught.

Kansas City, Mo., 8.—Governor Crit-
tenden arrived to-night, and has been in
conference with the local authorities in
regard to the best methods of capturing
the robbers. In an interview he con-
fesses that he was powerless under the
law to offer any large reward, and says
he has simply come to be near the scene
of action to impress upon local officers
the importance of doing their duty and
sparing no efforts to capture the robbers.
County marshals have several posies out
in various parts of the county, and by
the advice of the governor will start out
others to-night.

Independence, Mo., 9.—Creed Chap-
man and John Bungalow, the train rob-
bers, were arrested near the scene of the
robbery, yesterday, by Sheriff Casen, of
Saline county. A brother of Chapman
gave them away, and also several others,
who will soon be arrested. Both men
were heavily armed. They have been
positively identified. Both weakened,
and a confession is expected. They live
within two miles of the place where the
train was stopped. The leader, who is
believed to be Jesse James, lives in the
same vicinity. The entire county is
under arms and posies are scouring this
and adjacent counties. Sam Chapman,
another of the gang, has just been
brought in, and others are expected.
Governor Crittenden has ordered the
sheriffs of adjoining counties to organize
and hunt the outlaws down at all haz-
ards.

Telegraphic Ticks.

Hartford, 9.—Ex-Congressman L. P.
Waldo is dead.

Boston, Mass., 9.—The supreme judi-
cial court dismissed the petition of Celia
J. Robinson to be admitted to practice
as an attorney in the courts on the
ground that under the laws of the com-
monwealth women are not entitled to be
admitted as attorneys.

New York, 9.—Arrived, \$625,000,
German gold.

The resignation of John King, jr., re-
ceiver of the Ohio and Missouri Railroad,
caused an extraordinary rise of that
stock to-day, as it is intimated now to
secure a receiver not interested in the
Baltimore and Ohio Railroad.

Chicago, 8.—The Pullman Palace Car
company has increased the capital stock
\$2,000,000, pro rata at par among its
shareholders. The exhibit is most grati-
fying.

The Erie is now shut off from any
western connection. The Pennsylvania
road refuses to pro rate with it.

De Moines, 8.—Miss Nellie Curtis, of
Kansas, and Lizzie Pinneo, of Colorado,
rode a ten mile race to-day. Curtis won
in twenty-one minutes eleven and a half
seconds; Pinneo's time 27.1.

New York, 8.—Fifteen suns rakes,
two fairs.

Galveston, 8.—News' Cast: In the
wreck of a construction train of nine
cars yesterday, one man was killed and
fifteen wounded.

Washington, 8.—The treasury depart-
ment, to-day, purchased 140,000 ounces
of silver bullion, for the San Francisco
and New Orleans mints.

The Arizona Indian Troubles.

San Francisco, 9.—The following in-
formation was obtained from the mili-
tary headquarters here: Gen. Willcox, at
Willcox Station, A. T., telegraphs as
follows, under date of September 8th:
No new reports of the situation, except
that George's band of White Mountain
who have been at the sub-agency on the
Gila for years, are reported out. Haskell
and Jeffers attend the court of Indians
at the sub-agency to-day. Chief has
the promise of twenty-five San Carlos
and Tonto. Col. Wilkins has arrived
with five companies; total strength, 137
men. Two companies will guard rail-
road trains to and from Deming. Carr
writes on the 4th that the hostiles are re-
ported to be all encamped in the rough
country northeast of Philip's place, and
will stay there and fight it out, but Carr
does not believe it. He says he will, of
course, resume the offensive if he hears
of any hostiles where he can strike. My
orders are to resume the offensive on or
before the reopening of telegraphic com-
munication. Stanton starts back this
morning with his company to Apache,
repairing the line as he goes.

KELTON, A. A. G.

San Francisco Election.

San Francisco, 9.—Complete returns
of the city election show that democrats
have elected their candidate for surveyor,
and supervisors in the Third and Sixth
Wards. With these exceptions repub-
licans have made a clean sweep. Sedg-
wick, for sheriff, has the highest major-
ity, 3,405. Biske, for mayor, has 2,692,
and thence the majorities range down to
a few hundreds. It is possible that the
official count will change the figures in
detail, but it is not likely to effect the re-
sult.

The count of the register of elections,
to-day, shows that Grady, democrat, has
been elected tax collector by a majority
of 396. Otherwise the result as hereto-
fore stated remains unchanged.

Robbers Caged.

Denver, Col., 9.—The police, last night,
arrested five women and three men be-
longing to a notorious band of robbers.
Detectives are on the track of other
members who are operating in other
towns. This band is mostly from Mis-
souri and Kansas, where they are said to
have blown open over fifty safes within
two years. Over \$5,000 worth of plun-
der were recovered. Kid Lawsons, the
supposed leader, was among the eight
arrested.

Irishisms.

Dublin, 8.—Three suspects were re-
leased at Galway, after three months'
imprisonment; four others were offered
release on signing a conditional pardon.
They declined to do so. Davitt is in
good health. He was visited by Arch-
bishop O'Rourke and Bishop Ross.

London, 9.—A telegram from West-
port, County Mayo, states that the Brit-
ish man-of-war Merlin has returned
there with 100 polios, who assisted in the
eviction of 120 persons, inhabitants of
Innesturk.

Hebrews' Sympathy.

New York, 8.—Jews hereabouts pro-
pose to raise a fund of \$50,000 for the re-
lief of Russian co-religionists soon ex-
pected here.
